About Us

Established in 1959, Commercial Safety College is a locally owned and operated private career college in Masstown, Nova Scotia dedicated to providing the highest quality training in truck driving and heavy equipment operation.

Each of our programs were designed with industry in mind, ensuring students that they have the training needed to enter the workforce. In addition, each of our programs have met the approval of industry standard bearers and provincial regulators. We believe that small class sizes are important to learning a new skill and we ensure that all students get the seat time needed to successfully complete the programs that we offer.

Whether you are starting a new career path or upgrading your current skill set, Commercial Safety College offers the training you need to succeed.

Tractor Trailer Internship Program (Class 1)

Our 12-week Tractor Trailer Internship training program consists of two parts:

- Eight (8) weeks of training at our facility in Masstown, NS.
- Four (4) weeks of internship with a qualified coach.

During the eight (8) weeks at our facility, students are trained in the following four (4) categories:

- Practical Skills (field maneuvering skills and on-road driving skills)
- Mechanical Skills (including air brake course)
- Safety Studies (Dangerous Goods, PDIC, WHMIS, CPR/First Aid, Log Books, Occupational Health & Safety, etc.)
- Life Skills, Technology Familiarization

Once students have successfully completed their training at our facility, they begin the four (4) week internship component of the program. This consists of:

- Minimum 100 hours of driving time with a qualified coach
- Driving the vehicle in “real world” situations which can not be replicated in our controlled environment
- Allowing students to become familiar with topics such as border crossings, customer relations, load pick-up and deliveries, and much more.

Our 12-week program has been given the equivalency of two (2) years of driving experience in the view of industry insurers and stakeholders such as the Trucking Human Resource Sector Council Atlantic (THRSC) and the Atlantic Provinces Trucking Association (APTA).

All coaches must attend a training session at Commercial Safety College before they can begin taking students on internship. Coaches are trained on the recommendation of industry safety and training officials. We have over 20 companies who offer internships for our students.

Please note: We can only guarantee internships to students with industry approved abstracts and clean criminal search reports. We pursue internships for all students, but may encounter problems if the criteria mentioned previously has not been met.
