- Resume
- Letter of reference (can be from a case manger, previous/current employer, supervisor or colleague)

What do you know about the Road Building Industry?

Why have you decided to apply for this program? What about the Road Building Industry interests you?

Do you understand that this program is to train for labourer positions and although it has elements of heavy equipment it is NOT a Heavy Equipment Operators program?

Do you have any previous experience operating trucks, heavy equipment, farm equipment, or other small equipment? If yes, please explain.

Are you able to commit to full time training (Monday to Thursday) of eight weeks? If no, please explain.

Are you able to commit to employment with a Nova Scotia Road Builders Association member once the initial training has been completed? If no, please explain.

Do you have reliable transportation to and from the college each day or will you need a list of accommodations close to the school that you can contact?

Do you have a financial plan for the duration of the program (8 weeks) to cover your existing financial commitments/bills? Please provide details.

Can you be available for an **in-person interview** on short notices?

This project is committed to diversity in assessing applicants for this program. We encourage you to self-declare if you are:

- Indigenous
- African-Canadian
- Newcomer to Canada/Immigrant
- Female
- Underrepresented Identity/Group
- Other (please specify) _____
